Dear Commissioner Kennedy:

I own a home in Anthem, Az. and as a homeowner and a customer of Arizona American Water Company; I am respectfully requesting your consideration to support 'deconsolidation' of the Anthem/Aqua Fria Wastewater Treatment District.

We have always been, and will continue to be, in favor of paying for services related to our community. We understand Anthem has an independent wastewater treatment facility to service Anthem with no connection to the Aqua Fria system. **Why are we paying for facilities we do not use?**

We feel "deconsolidation" is fair and just and urge you to correct this wrong.
